

# Vereniging Schermzaal Ter Weer

## INFORMATION and FEES 2010

### General

Ter Weer is a fencing club with a rich history. We want to be a club for everyone. Some of our members have been fencing for many years, others started only recently. All ages are welcome, from 7 years to retirement age. You are never too young or too old to start with fencing!

We train at various levels. There is a group of competition fencers, including Dutch champions and fencers who participate in (inter)national competitions, but we also have a lot of enthusiastic recreational fencers. In short quality for everyone.

The atmosphere is very relaxed and everyone is free to train as hard as he/she likes. For every level and age there are weekly classes and the more ambitious fencers can take individual lessons. The experienced fencers train with electrical equipment, guided by training programs. Our speciality is foil fencing. The foil requires the highest technical and tactical level. Because of the light handling, this weapon is an eminently good "beginners" weapon.

### Our fencinghall

You can find our fencinghall in the HALO (The Hague Academy for Fysical Education) near the dunes. The location is easily accessible by bike or car and by public transport (HTM bus 24, stop at Oude Buizerdlaan). The address is: Laan van Poot 363, 2566 DA Den Haag.
